

# *N.A.C.F.T*

*National Association of Community Family Trusts*

- Supporting existing trusts & projects
- Encouraging creation of new C F Projects
- Setting quality standards for programmes
- Managing evaluation process
- Networking with likeminded organisations
- Central liaison (government, parliament etc)

# *N.A.C.F.T*

*National Association of Community Family Trusts*

- 14 affiliated Trusts/Projects
- 14 in gestation
- Partner in ***National Couple Support Network***
- Lobbying with politicians and government officials has raised our status

# Value for money

- The NAO reported that despite spending £900 *million* over past 7 years, Central Government has not impacted on truancy figures
- CFTs have cost Central Government around £650K over 3 years, and thousands of people have had their relationships enhanced
- CFTs represent good value for money and are **ON THE GROUND**

# *The future....?*

Rt. Hon David Willetts MP

Shadow Secretary of State for Work & Pensions and Welfare Reform

**Speech to the Centre for Social Justice on 6<sup>th</sup> January 2005**

*...." I hope it will be possible for a future  
..... Government to offer more support  
for Community Family Trusts." ....*
